Summary of reasons for decision:

This computer image file promotes and supports the exploitation of children or young persons for sexual purposes and as such is deemed to be objectionable under s3(2)(a) of the Films, Videos, and Publications Classification Act 1993 (FVPC Act). The image explicitly depicts the sexual abuse of a boy, who appears to be an older child or young teenager, by an adult woman. The only purpose of the image is the sexual gratification of the viewer, and it encourages the viewer to pursue a sexual interest in children or young persons. This classification interferes with the right to freedom of expression as provided in the New Zealand Bill of Rights Act 1990. However, the classification is consistent with Parliament's intention that publications falling under s3(2) of the FVPC Act are deemed objectionable. It is a reasonable limitation on the right freedom of expression that reflects the concern of New Zealand society to protect children and young persons from exploitation.
